Friendship Fun and Family

## What we do

We hold a monthly coffee morning at Nether Hall School, Netherhall Road, Leicester LE5 1DT, where you can come along and meet other families.

There is a sensory room and wonderful soft play area to be let loose on. We also have a small selection of books, periodicals and videos relevant to Down's Syndrome, which can be borrowed by our members.

If transport is not available to you, LDSG may be able to help. Contact us on telephone number 07757 800312, and leave a message.

Friendship Fun and Family

A Newsletter is circulated to all members, with information on events, activities which our members are involved in, and their achievements.

Our website is available to any internet user, and is a useful source of information or contact point.

It's great for people of all ages to get together, at frequent social events and trips out, which the group organises, although we do need the person with Down's Syndrome to be accompanied by a parent or carer.

When we have sufficient funding we can help with speech therapy, swimming lessons and other activities.
